

ECE 3724 HW #6 – Reese NAME: _____

1. Do problems 2, 4, 6, 8, 10, 12, 14, 16, 18 from Chapter 8. Not all problems are weighted equally; points are assigned in proportion to problem difficulty.

For code problems that require modification of example programs, all you have to show me is the code that changed, you do not have to replicate the entire code listing.
